S i r ,

With reference to your letter No.D.9980/J.S.28-26-2 dated the 13th May 1927, regarding the registration of the Association called "The Aryan School Parents' Association" I have the honour to request that the Memorandum and the Rules of the Association may be kindly sent to me, if they are available with Government, in order to enable me to take further necessary action as desired in the last sentence of para 2 of your letter.

(2) In this connection, I solicit orders of Government whether the direction contained in the letter under reply that a specific declaration is not wanted applies only to this particular case or whether it may be taken as a general instruction for future guidance. This reference is necessitated by the fact that this office has been insisting for a long time on the inclusion of a declaration by seven members before the Society can be registered (vide this office circular instructions herein enclosed). From my examination of the previous records I find that this practice seems to have been based on the analogy of the declaration required to be included in the Memorandum of Association in regard to a Joint tock Company (vide Section 5 and Forms A and B pages 145 and 146 f the Mysore Companies Regulation). As the wording of Section 2 f the Societies Regulation is similar ~~with~~ to the wording of Section of the Companies Regulation, ~~the~~ a declaration under the Societies egulation also seems to have been insisted upon till now by this office

It seems to be also based upon the practice in this respect obtaining in certain provinces of British India, such as Bombay. In the circumstances, I request definite orders of Government whether the previous practice of this office may be set aside and whether the declaration need not be insisted upon in future.

I have the honour to be,

S i r ,

Your most obedient servant,

REGISTRAR.
